¹ Eligible Voters [VEP]: Dr. Michael McDonald, George Mason University. ² Vote Counts per state, per candidate were verified with realclearpolitics.com and at each state elections website June 3, 2008.
³ Delegate count based on comparison of CNN, NYT & realclearpolitics.com & thegreenpapers.com as of June 3, 2008.

⁴ IA, NV, WA & ME did not release exact votes. Together, they represented an estimated 558,029 of the 1,057,136 votes in the 13 caucus states. TX also did not release caucus votes. In total, 239 pledged delegates were allocated based on estimated/relative percentages of support for Obama versus Clinton.

⁵ Michigan ballot incl. Clinton & 3 other Dems. Obama removed his name from the ballot. "Uncommitted" received 238,168 votes. "Adjusted Total" gives Obama 75% of the 238,168 votes - average % suggested by Exit polls.

2008 General Election
