Report Date: 8/3/2011 12:28 Reporter: B65567 Blake, James Clearance: 0 Open Report Type: 0

On 08/03/11 at approximately 1102 hours, I responded to 1840 Retreat View Cir in reference to suspicious person. Sanford Dispatch advised that the caller Olivia Bertalan (victim), could hear people inside her residence (1840 Retreat View Cir). Bertalan let me into the front door of the residence as Sgt. Jankowski went to the rear of the residence. Sgt. Jankowski advised that the rear sliding glass door was open (entry/exit point). Bertalan stated that there were people still inside her residence. Sgt. Jankowski and myself then searched the residence (this was Sgt. Jankowski's only involvement in this case), but found no one inside.

Bertalan then provided a sworn written statement of the following information: On 08/03/11 at approximately 1100 hours, she heard a knock at her front door, then she heard the door bell. Bertalan did not have a way to look out the front door, so she went up stairs and looked out the window, where she could see the outside of the front of her residence (1840 Retreat View Cir). Bertalan saw a black male adult (wearing a blue shirt, and black shorts, with a short hair cut) standing at the front of her residence, ringing the door bell and knocking on the front door. Bertalan advised that she did not answer the front door, because she did not know the person. A few moments later, Bertalan again heard a knock at the front door followed by the door bell. She looked out the window again and noticed the same black male adult (this time the blue shirt was over his shoulder and he was wearing a black tank top), with another black male adult also wearing a black tank top and black shorts.

Bertalan said that she then called the police when she saw one of the unknown black males walk up to the rear sliding glass door of her residence. She then ran up stairs and locked herself into a bedroom. Bertalan advised that she could hear people inside her residence, and could see the door knob moving to the room that she was hiding. Bertalan said that she could hear them walking down the stairs when the police were knocking on the front door.

After the residence was searched Bertalan looked around her residence and advised the following items were missing: Canon EOS digital rebel xs camera black in color. Value \$600.00. Serial number 1920401369. IMAC laptop computer silver in color. Value \$300.00. Bertalan advised that no one had permission to enter her residence or take any items and she wants to press charges.

I processed the scene for prints and was able to lift off of the rear sliding glass door, the living room TV set, and the upstairs bedroom computer screen (JB-1). All prints were turned into the Sanford Police Department for evidence. Bertalan stated that the rear sliding glass door was locked, however when I checked the door I could see that the lock on the door was not functional (the lock was not broken into, it was just not working). The camera was entered into FCIC/NCIC as stolen. There is no further information at this time. This case is being forwarded to Inv. Foshee who responded to the scene.
